

THE LIGHTHOUSE

1958

DEDICATION

We, the Senior Class of 1957-58 dedicate this year's "Lighthouse" to our former teacher, coach, and friend Mr. T. R. Vasser.

We dedicate this book as a token of our esteem and gratitude for the help he has administered during his stay at Northampton County High School.

To Mr. Vasser we want to wish the best of luck in the teaching career and also his personal life.

THE SENIORS

MR. T. R. VASSER

PRINCIPAL'S MESSAGE

My young friends, June 1958 Graduates, we would like first to remind you in this ninth issue of our "Lighthouse" that you have the distinction of being the first class to begin and complete its high school education from the New Northampton County High School. You have seen and been an integral part in its rapid development, and now you must carry that same burning desire to help foster its principles and ideals into your future endeavors.

You are about to enter an age of space travel, missiles, and satellites, but it need not be an age of destruction. It should prove an age of new frontiers for the youth of our land with beckoning horizons, adventures, and new opportunities.

This age into which you are about to be ushered will be a challenge to all that you have learned, but in times like these life finds its supreme happiness. Once you find something beyond yourselves to which you can give yourselves, the whole world takes on a new meaning.

You are to be congratulated for having reached this station in life. I sincerely hope that you have appreciated every little gesture by those who have been responsible entirely or partially for the success you have obtained thus far.

Congratulations for a job well done and best wishes for the future.

SENIOR CLASS HISTORY

In September 1953, we the class of 1958, entered Northampton County High School and marked the beginning of the Five Year Plan. We were also the first Eighth Grade Class to enter the new school. Our Principal, Mr. W. H. Smith, divided us into four sections: A, B, C, and D. Our Homeroom Teachers were Mrs. M. B. Collins, Miss D. M. Bell, Miss D. M. Turner, and Mrs. H. D. Upshur respectively. Under those teachers, we began our first year's work with enthusiasm. We were represented in the Homecoming Festivities by Margaret Trower, Margaret Johnson, Gloria Wilson, and Juanita Marshall. Alice Harmon, Carrie Thomas, Beatrice Spady, and Mildred Jordan were our May Queen contestants.

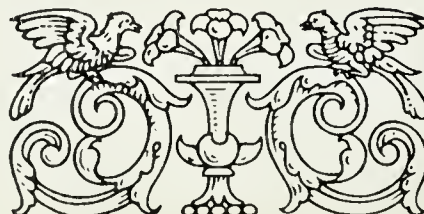

On September 1954, we became Freshmen. Our advisors were Mrs. H. D. Upshur (Freshman A), Mrs. M. B. Collins (Freshman B), and Mrs. E. D. McCuller (Freshman C). We were represented in the Homecoming Festivities by Marva Ashby, Freshman A; Dorothy Goffigon, Freshman B; and Ruth Spady, Freshman C. Martha White, Juanita Marshall, and Florence Trader represented us in the May Day Activities.

In September 1955, we were sophisticated Sophomores. During this year our advisors were Miss D. M. Turner, Sophomore A; Miss L. E. Upshur, Sophomore B; and Mr. John Cook, Sophomore C. Our representatives in the Homecoming Activities were Margaret Trower, Alice Harmon, and Gloria Wilson. Beulah Floyd and Carrie Thomas, and Dorothy Roane represented us in the May Day Activities. Since our class was next to the senior class, we gave the seniors a Prom which was very successful.

On September 3, 1956, we entered school as Juniors and were divided into two sections under Mr. T. R. Vasser, Junior A; and Mrs. M. B. Poole, Junior B. Delois Smith, Junior A and Gloria Wilson, Junior B; represented us in the Homecoming Activities. Essie Hunt and Carrie Thomas were our May Queen Contestants.

On September 3, 1957, we entered Northampton County High School as "Dignified Seniors" and our advisors were Mr. O. Kornegay, Jr., Senior A; and Mrs. M. B. Poole, Senior B. Upon reaching this year we knew that we were another step closer to our goals. We owe this to our parents, principal, and faculty members. Our contestants for Homecoming were Beulah Floyd, Senior A; and Carrie Thomas, Senior B. Our May Queen Contestants were Mary Scarborough and Mattie Church.

To our faculty, we wish to express our grateful appreciation for the time and help that you have given us in the past that we might have success in the future.

SENIOR CLASS PRAYER

We thank Thee, Almighty God, for Thy help in bringing us thus far. We beg Thy continued blessings upon us, our parents, our teachers, and our country.

"MEMBERS OF THE 1958 GRADUATING CLASS"

SENIOR CLASS PROPHECY

A look into the Crystal Ball with Gypsy Rose Louise.

Good evening ladies and gentlemen. Come in and sit down with your money belts. Dig the dope on the future of the Graduating Class of 1958.

Miss Lydia Spady, a great opera star in downtown No Tune, has her own opera house. Her manager is Mr. William Chapman. He keeps her busy trying to persuade her that being his wife is more important than being a singer.

Mr. Rutherford Sample resides in Africa with Messrs. James Upshur, James Benn and Frederick Reid. They are trying to get a license to manufacture woolen blankets for local use. Unfortunately they don't know Natives don't need woolen blankets in Africa.

We see in Carrie Thomas' Shoe Shop Misses Alice Harmon, Mildred Beckett and Annie Church. They are trying to figure out how Miss Thomas has such a fine shop catering to people only three feet tall. To solve this problem Miss Thomas shows them a sign over the door which says, "This shop is especially designed for midgets."

Mr. Paul Sample, a popular boy, back in high school now has a home for the aged. His staff includes such employees as Misses Ruth Spady, Dorothy Roane and Gloria Wilson. Secretly they are about to go out of business from a lack of old age patients.

Miss Juanita Marshall has just returned from a tour of Paris with her husband the great composer, Mr. Donald George. They have three year old twins Donald and Ronald. The boys weigh eighty seven pounds each. They can't seem to keep a baby sitter. Their last nurse, Miss Alice White, fled when the twins threatened to scalp her as the Indians do on television.

Mr. Clarence Walker an All American football player has retired. He now raises buzzards for Thanksgiving. He has employed Misses Willie Church, Virginia Rogers and Betty Harris, but he is trying to clip Miss Harris's wings into becoming his life partner.

Miss Maxine Smith now heads a modeling agency. Her other models are Misses Marva Ashby, Sylvia Bacote, and Eugenia Spady. They call themselves "The Plump Models." Well!

Messrs. Burley Andrews and Johnnie Rowley tried the profession of ministry but they both got kicked out of church. Reason: They were flirting with the missionaries and keeping all the money.

Miss Beulah Floyd has her own dancing studio in which she teaches all dances. Her specialists are Mr. Allen Baker, tap dancer; Mr. Roosevelt Spady, walk dancer; and Miss Essie Hunt, mambo dancer. Miss Floyd calls her studio "The Cozy Fixed up Bombstand."

Messrs. Alvis Adair and Charles Hallett, two of our former basketball stars are spending a quiet vacation in California. They were sent there by mistake. Mr. Adair, a bird catcher, and Mr. Hallett, an oystershell roller, are looking for diamonds. They're trying to impress Miss Carrie Gunter and Miss Mattie Church, respectively, so as to win the ladies' hands in marriage.

It is a surprise to see Miss Margaret Trower and Mr. John Francis, now known as Mr. and Mrs. John Francis. Mrs. Francis wants to spend her honeymoon in Kentucky; asked why she replied, "I am tired of seeing green grass; I want to see blue grass." Mrs. Frank Holland, the former Miss Margaret Johnson, has finally hooked her lover. She runs an unlicensed bureau called "Catch and Hold Your Man." Miss Delois Smith is enrolled trying to catch her favorite beau, who is a champion wrestler. Mildred Jordan an "A" student, is enrolled trying to catch Mr. Henderson Rowley, who has several medals for spear fishing. What an inspiring school!!

At this time Messrs. Joseph Nottingham, Sincroe Beckett, and Raymond Savage are arguing about who can "Walk" best. So far, Joseph "hops" good, Sincroe "runs" better, and Raymond "walks" best. These boys actually ride the freight train so much that they've forgotten how to use their feet or legs.

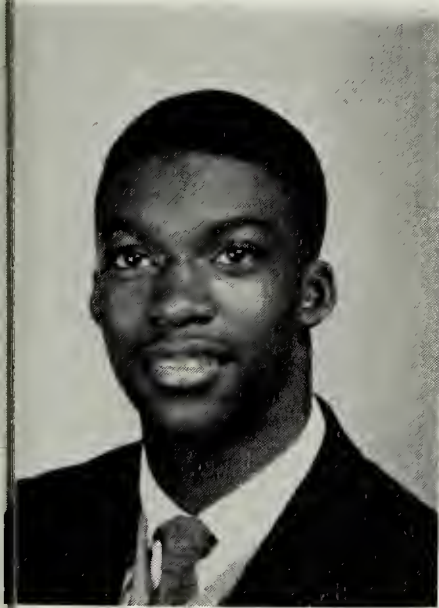

Misses Ethel Giddens and Mary Scarborough teamed up as women wrestlers have just toured the world. They were accompanied by two nationally known male wrestlers, Mr. Robert Lindsey and Mr. Melvin Fox. They went around the world in a specially built airplane. What a fall that might have been. They are all going on diets soon, but they have been saying that for twenty years.

Oh! yea, Miss Doris Upshur who was a quiet girl in "58" has flipped her coins. She bets tails with Miss Beatrice Spady over Mr. Wardell Nottingham. Doris says "Tails she wins or there'll be no heads at all."

A last look in the Crystal Ball and what do we see!! Three boys playing loving bumble bees. Messrs. John Morris, Robert Joyner, and Calvin Roane are fighting over Miss Neva Moses, the quiet one. So far it is a tie between Robert and Calvin, since John is really more interested in his drawings than in anything else.

The Crystal Ball is a little shook up; so I guess I'd better hop out and quit the scene for now. It has been a pleasure for me to keep you up to date and pass data on the happenings. This is Marva Ashby, as Madam Rose Louise, saying, "So long until another graduating class passes my way."

CLASS POEM

IT'S TIME TO LEAVE

Northampton High we hate to leave,
But this is a must we all believe.
Although we may go far away,
We'll be thinking of you from day to day.

II

We have learned as the days have passed;
We have crossed one bridge of success.
It is hard for each of us to express
The things we've accomplished and our happiness.

III

The past years will be long remembered;
They were lovely as we started in September.
We have dreamed that this day would come,
And now our delightful chore is done.

IV

Of many helpful things we have a clearer view,
But our days at Northampton are almost through.
So long Northampton High we say to you.
Good-bye, Northampton High, Good-bye.

We, the Junior "A" Class entered school this term with enthusiasm. We are striving to make our Junior year one of worthwhile attainment. During the second week of our school term, we organized our class and began to strive hard to uphold the high standards of our school.

This year, under the supervision of Miss L. E. Upshur, our Homeroom Teacher, we are attempting to sponsor with the cooperation of Junior "B" and "C", one of the best Junior and Senior Proms in the school's history.

We pledged ourselves to devote our time to learning the better things of life. We were proud to have Lois Williams as our contestant for Homecoming Activity, and our May Queen contestant was Marie Treherne.

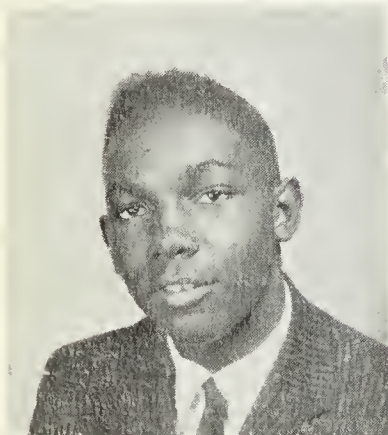

To the members of the 1958 Graduating Class: "We hope you will excel in all your undertakings."

In September of 1955, we, the present Sophomore Class Section-B, entered Northampton County High School as Eighth Graders. At the time we were without a complete knowledge of what our duties were. However, we were eager to discover these "unknowns" and to make ourselves intelligent. Mrs. M. B. Collins was assigned as our Homeroom Teacher to help us accomplish these ends. During our Freshman year Mr. Busch was our Homeroom Teacher. Under the guidance of our present Homeroom Advisor, Mrs. B. M. Ervin, we are continuing to climb the ladder of success.

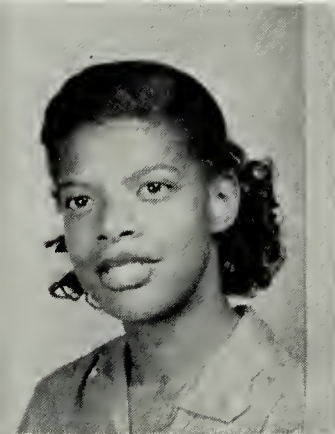

"Graduating Seniors," to you, we wish a bright and successful future. Also, we wish to make one request of you, "Leave us a light to follow."

We, the members of the Freshman Class, Section-C, entered Northampton County High School as Eighth Graders on September 3, 1956, with much enthusiasm; enthusiastic because of the opportunity to attend the same school with high school students. On the other hand, things looked a little dark. It seemed as if we were reaching for a star that could never be reached. Mrs. M. B. Collins, our Homeroom Advisor, stepped in at the opportune time and gave us our first important boost.

As Freshmen, with a new Homeroom Teacher, Miss A. J. Barber, we have begun the year 1957-58 with a brighter outlook on life. We have contributed and participated in all the major activities on the campus.

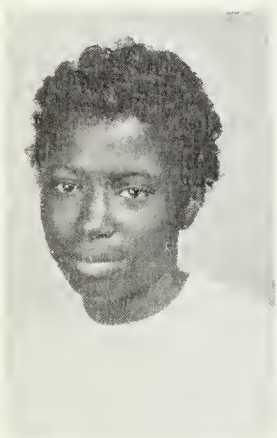

To the Graduating Class of 1958, we wish luck, success and a bright future. Bon Voyage!

HOMECOMING ACTIVITIES

Our Homecoming activities reached their climax on November 22, when Miss Frances Bibbins was crowned Miss Homecoming by our Principal, Mr. W.H. Smith. Amid enthusiastic cheers from the assembled students, alumni, and visitors, Wardell Nottingham escorted Miss Homecoming to her throne from whence she reigned over the days activities. These were highlighted by a parade of beautifully decorated floats, representing various classes and school organizations, and a demonstration from the Maryland State College Drill Team.

N.C.H.S. BAND

The Northampton County High School Band was organized at the beginning of last year. Inasmuch as this is a new organization, we are short of members and instrumentation. Despite this fact, thus far, the band has done a very good job. The members have shown a great deal of interest and enthusiasm for this new offering. During the spring the Band presented its first joint concert with the Chorus. To the Graduating class of 1958, we the members of the Band, extend best wishes for a future of happiness and success.

CHORUS

The Northampton County High School Chorus, under the supervision of Mr. Edward Busch, Jr. and assisted by Mrs. E.U. Jones, has been making rapid progress again this year. Nine members of the chorus represented this county at the Bi-County Teachers Meeting at M.N. Smith High School. The Choir's presentation of its annual Christmas Cantata was quite a success this year. We presented "The Birth of the Christ Child" by Rolfe.

Our special congratulations go out to those seniors who have worked so faithfully with the organization, and to all the members of the graduating class of 1958 we extend our best wishes for a successful career.

To help our students become more familiar with Library rules and regulations. 5. To encourage students and teachers to use the library more often. 6.
